Dear Joey,

I am writing to ask you if you could please give me the story, in writing, of your experience with Padre Pio, which you relate on Page 6 in your article 'Joey's Story' printed in an old number of the Garabandal magazine, Special Issue of 1985. You relate how Padre Pio heard your confession and listed your sins in English. Please could you send this to me in writing and at the end of it write the following: I judge before God that which I have written corresponds to the truth. In faith, and then sign your name.

I really would be most grateful for the trouble.

I hope life is treating you well. The Cause of Padre Pio, as you probably know, is proceeding well. The work of the Historic Commission is soon to be presented to the Pope, but nevertheless it will be a long time before we see Padre Pio honoured on the altars.

I assure you of a remembrance in my prayers, especially at the tomb of Padre Pio. God bless.

Sincerely yours in our Lord,

*Fr. Joseph Reina*
